

## Road to Cheren Errata Version 1.0

Unfortunately the wrong picture got published in the example on page 7. The correct picture should be this: (hexes with Italian ZoC are lighter to make it easier to see them)

2.3 a) Tanks, Motorized infantry and Motorized artillery should be in bold italic. These units may not enter mountains.

2.3 b) Artillery, Motorized artillery, Tanks and Air support should have been underlined. These are support units
